**For New and Current Students.** The Summer Session at the studio provides flexibility for your family's vacation schedule. A minimum of 3 lessons in one month is required. You can sign up for June or July, or both months. If you plan to be on vacation for a certain week you need to discuss with your family how to plan your schedule.

**Introductory Session.** For those considering taking piano lessons but are uncertain, the summer session is a great way to find out what piano lessons are about. It is important to keep in mind that playing the piano takes time just like painting, golfing, or any other skill.

**Lesson Days and Times.** Lessons are from 1:00 to 7:00 pm. Summer Session begins June 2 and ends July 28. Participation in the Summer Session does not guarantee a time-slot for the academic year, so please inquire about availability when scheduling.

**Payments.** Lessons for students are \$30.00 for each 1/2 hour lesson, \$45 for 45 minutes, and \$60 for one-hour lessons. Payment is due when reserving times. Materials will be billed (\$15) once in June and once in July. You may sign up for either June, July, or both months. Payments are not refundable. No lessons are given in August.

**Practice Sessions.** 30-minute practice sessions, five times per week, are recommended for beginners. Parents are asked to provide a specific time each day and an appropriate atmosphere for practicing. Doing this will ensure your child's enjoyment and success in music.
